

# 08-02-2023 CONSERVING CROP INSURANCE

## Lunch at 12:00pm then talks to follow

This workshop will take an alternative look at the USDA Farm Bill programs and how to best utilize them on the farm. We will dive into how adding habitat and conservation programs can reduce the cost of crop insurance as well as increase your farm's APH. All while increasing the profit of a farm on a yearly basis.

Please RSVP to [dqlazik@pheasantsforever.org](mailto:dqlazik@pheasantsforever.org) or 217.841.2978
