

# 2023 Nutrient Stewardship *field day*

TUE **AUG 15<sup>TH</sup>**  
3 P.M. – 6 P.M.  
RAIN OR SHINE

For several years, LaSalle County Farm Bureau (CFB) has supported numerous areas of nutrient stewardship education and outreach, including hosting field days and other events. This year, the CFB, as well as researchers from the University of Illinois (U of I) will join to educate attendees about the emerging field of biologicals and genetic technology in agriculture. Field day attendees can expect to learn about biological functions and Nitrogen cycling for crop nutrition, as well as the potential of emerging technologies for reducing nutrient losses.

Join us to learn about nitrogen management and biological. 2.0 Soil and Water and 1.0 Nutrient Management CEUs for Certified Crop Advisers will be provided.

## AGENDA:

**Raelynn Parmely**, *Environmental Program Manager, IFB* | IFB Nutrient Stewardship Background and Ongoing Efforts

**Angela Kent, Ph.D.**, *Professor of Microbial Ecology, U of I* | Managing the Maize Microbiome for Nutrient Retention in Illinois Agricultural Soils

**Fred Below, Ph.D.**, *Professor of Crop Physiology, U of I* | Biologicals and the 7 Wonders of 300 Bushel Corn

**Connor Sible, Ph.D.**, *Postdoctoral Research Associate, Crop Physiology Lab, U of I* | Understanding Biologicals for Row Crop Production

**Sam Leskanich**, *Graduate Research Assistant, Crop Physiology Lab, U of I* | Getting to the Root of Crop Nutrition

**David Isermann**, *President, LaSalle CFB* | Field Tour and Other Practices

### LOCATION:

Isermann Farm  
1935 N 12th Rd.,  
Streator, IL

### RSVP:

by Friday, August 11<sup>th</sup>  
to LaSalle CFB by  
calling (815) 433-0371

### DETAILS:

Meal  
provided
